Everyday I Love You Less And Less

Larissa B.

Everyday I love you less and less
It's clear to see that you've become obsessed
I've got to get this message to the press
That everyday I love you less and lessAnd everyday I love you less and less
I've got to get this feeling off my chest
The doctor says all I need's pills and rest
Since everyday I love you less and less, unlessUnless I know I feel it in my bones
I'm sick, I'm tired of staying in control
Oh yes, I feel a rat upon a wheel
I've got to know what's not and what is real
Oh yes, I'm stressed, I'm sorry I digressed
Impressed, you're dressed to SOSOh, and my parents love me
Oh, and my girlfriend loves me, ohEveryday I love you less and less
I can't believe once you and me did sex
It makes me sick to think of you undressed
Since everyday I love you less and lessAnd everyday I love you less and less
You're turning into something I detest
And everybody says that you're a mess
Since everyday I love you less and less unlessUnless I know, I feel it in my bones
I'm sick, I'm tired of stayin' in control
Oh yes, I feel a rat upon a wheel
I've got to know what's not and what is real
Oh yes, I'm stressed, I'm sorry I digressed
Impressed, you're dressed to SOSOh, and my parents love me
Oh, and my girlfriend loves me
Oh, they keep photos of me
Oh, that's enough love for me, ohOh, and my parents love me
Oh, and my girlfriend loves me
Oh, they keep photos of me
Oh, that's enough love for me, oh
