

# Everyday I Love You Less And Less

Larissa B.

Everyday I love you less and less  
It's clear to see that you've become obsessed  
I've got to get this message to the press  
That everyday I love you less and less And everyday I love you less and less  
I've got to get this feeling off my chest  
The doctor says all I need's pills and rest  
Since everyday I love you less and less, unless Unless I know I feel it in my bones  
I'm sick, I'm tired of staying in control  
Oh yes, I feel a rat upon a wheel  
I've got to know what's not and what is real  
Oh yes, I'm stressed, I'm sorry I digressed  
Impressed, you're dressed to SOSO Oh, and my parents love me  
Oh, and my girlfriend loves me, oh Everyday I love you less and less  
I can't believe once you and me did sex  
It makes me sick to think of you undressed  
Since everyday I love you less and less And everyday I love you less and less  
You're turning into something I detest  
And everybody says that you're a mess  
Since everyday I love you less and less unless Unless I know, I feel it in my bones  
I'm sick, I'm tired of stayin' in control  
Oh yes, I feel a rat upon a wheel  
I've got to know what's not and what is real  
Oh yes, I'm stressed, I'm sorry I digressed  
Impressed, you're dressed to SOSO Oh, and my parents love me  
Oh, and my girlfriend loves me  
Oh, they keep photos of me  
Oh, that's enough love for me, oh Oh, and my parents love me  
Oh, and my girlfriend loves me  
Oh, they keep photos of me  
Oh, that's enough love for me, oh
