

Already Gone

Girlicious

I thought that I knew you, thought that you were true too
Why couldn't I have been right, right?
While my spirit wasn't fighting you were there in hiding
Didn't want to look in the light
While the words have escaped me, the love won't erase me
I just got so, so tired of asking why?
While you were acting shady I realized this shit's crazy
Nothing left to say but goodbye, bye, bye
Yeah I'm already gone, why are you trying to hold on?
Stop trying, baby, it's too late
Yeah I'm already gone, guess our love wasn't strong
There's nothing left for you to say
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone
Already gone
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone
Already gone
Don't want to rewrite it, go back and define it
There's nothing here to make me stay
Day by day I'm stronger, my heart's yours no longer
There's no guilt standing in my way
While the words have escaped me, the love won't erase me
I just got so, so tired of asking why?
While you were acting shady, I realized this shit's crazy
Nothing left to say but goodbye, bye, bye
Yeah I'm already gone, why are you trying to hold on?
Stop trying baby it's too late?
Yeah I'm already gone, guess our love wasn't strong
There's nothing left for you to say
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone
Already gone
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone
Yeah I'm gone, yeah I'm gone

Already gone

I'm not gonna look the other way
I can't let myself waste another day
I don't hate you, I don't blame you

I just got to know the truth
I don't hate you, I don't blame you

But I know I'm done with you
Baby come back, ain't comin' back
Baby come back, ain't comin' back
Baby come back, ain't comin' back

Baby come back
Baby come back, ain't comin' back
Baby come back, ain't comin' back
Baby come back., ain't comin' back

Baby come back
Baby come back, ain't comin' back
Baby come back, ain't comin' back
Baby come back, ain't comin' back

Baby come back
Baby come back, ain't comin' back
Baby come back, ain't comin' back
Baby come back, ain't comin' back

Baby come back

Yeah I'm already gone, why are you trying to hold on?

Stop trying baby it's too late

Yeah I'm already gone, guess our love wasn't strong

There's nothing left for you to say

Yeah I'm gone, yeah I'm gone

Yeah I'm gone, yeah I'm gone

Yeah I'm gone, yeah I'm gone

Already gone

Yeah I'm gone, yeah I'm gone

Yeah I'm gone, yeah I'm gone

Yeah I'm gone, yeah I'm gone

Already gone

Baby come back, baby come back

Baby
