Good Gifts

Melanie Doane

Good gifts of love
Good gifts you hand me down
From your first touch
To my wedding gownDo you even know
What you've given me?
Do you even see
That you are wisdom?
You are wisdom to meMy song, my soul
You gave so easily
I'll not forget
These gifts to meWe say goodbye
But we are not alone
Here with me still
My heart, my homeDo you even know
What you've given me?
Do you even see
That you are wisdom?
You are wisdom to meMy song, my soul
You gave so easily
I'll not forget
These gifts to me
I'll not forget
These gifts to me
