Home

Green River Ordinance

Lost in the memory have forgotten
I've been counting down the days
On the oceans the life between us
But I finally get to say
I'm going home, I'm going home
I'm going home and I'm not looking back, looking back

Close my eyes and feel the way
The distance left these land so great
But I'm leaving here gonna make it clear
These words be the bold out here
To bridge your doubts and be the shiver the lonely hearts
Get brand new star

I'm going home, I'm going home,
I'm going home, and I'm not looking back, looking back

Open the heartaches whatever it takes
I'm go back far to be with you
A lot of ? cause me
To what is true
I could've been lost but I see you there
Long to give it all just to be right there
I said oh I'm going home

And I'll run it to your arms dear
I know that I belong here
Make up for the love we lost
And came that shot you cause
I'm going home, I'm going home

Open the heartaches whatever it takes
I'm go back far to be with you
A lot of ? cause me
To what is true
I could've been lost but I see you there
Long to give it all just to be right there
I said oh I'm going home
I could've been lost but I see you there
Long to give it all just to be right there

I said oh I'm going home
Oh, I'm going home,
I'm going home, I'm going home
I'm going home and I'm not looking back, looking back
