

# Lakeside drive (Remix)

Nitzer Ebb

Lakeside drive on a summers day  
Lakeside drive, nothing to say  
Lakeside drive, got a leave today  
Nothing, but nothing to keep me away Old junk car with the windows down  
Ride it out to the right side of town  
Too hot to breathe, look see, the people seethe  
I hope you know that I don't want to leave Lakeside drive on a summers day  
Lakeside drive, nothing to say  
Lakeside drive, got a leave today  
Nothing, but nothing to keep me away Stick shift drive, with one hand on the wheel  
No need to look because I know how you feel  
Roll off the street leaving the water behind  
Turn in the basement, see what else we can find In the basement, it's the safest place  
In the basement then it's just my face  
Looking up at you as you're looking down on me  
Now this is the place where I know I want to be Looking up at you as you're looking down on me  
Now this is the place where I know I want to be Lakeside drive on a summers day  
Lakeside drive, nothing to say  
Lakeside drive, got a leave today  
Nothing, but nothing to keep me away Nothing to keep me away  
Nothing to keep me away  
On a summers day, got nothing to say  
Lakeside drive, got nothing to say  
Nothing to keep me away Lakeside drive on a summers day  
Lakeside drive, nothing to say  
Lakeside drive, got a leave today  
Nothing, but nothing to keep me away
