

# Immortal

## Sandrine

When I was little,  
I used to walk across the streets with my eyes closed  
to see if God existed,  
and I never got hit  
I danced along the edges of the rooftop,  
to see if I would fall  
and I never did  
And for a moment,  
I feel immortal  
and I am not scared, I am not scared  
I feel immortal  
'Cause I know you were there,  
I know you are there  
E-eh, e-eh, e-eh,  
e-eh, e-eh  
No one around me,  
believed in anything,  
So how could I  
expect them to believe and trust a girl?  
I cried myself to sleep inside my bedroom,  
and swear I'd never let them crush my world

And for a moment,  
I feel immortal,  
And I am not scared, I am not scared  
And I feel immortal,  
'Cause I know you were there  
I know you are there  
E-eh, e-eh, e-eh  
Ooh  
I felt like a flower,  
trying to grow from the pavement  
And they would walk all over me  
I felt like a snowflake,  
In the middle of the desert,  
wishing I'd melt, so I could be free  
And I feel immortal,  
I am not scared, no, I am not scared  
And I feel immortal,

'Cause I know you were there,  
I know you are there  
Eh-eh x11  
I am not scared
