Everlasting Everything

Wilco

Everything alive must die
Every building built to the sky, will fall
Don't try to tell me my
Everlasting love is a lieEverlasting, everything
Oh, nothing could mean anything at allEvery wave that hits the shore
Every book that I adore
Gone like a circus, gone like a troubadour
Everlasting love forever moreEverlasting, everything
Oh, nothing could mean anything at allOh, I know this might sound sad
But everything goes both good and the bad
It all adds up and you should be glad
Everlasting love is all you haveEverlasting, everything
Oh, nothing could mean anything at all
Everlasting, everything
Oh, nothing could mean anything at all
