

# Solitude Within

## Evergrey

Cold is the air that I breath  
sleepless  
but I don't mind the rain  
With fear I strive  
but still enjoying the pain  
I'm awaiting the dawn  
as I welcome the end If you ever felt the way that I feel  
helpless  
and help is all you need  
In tears you try  
but there is no way  
no way you can win  
Solitude Within Cold  
but I don't mind the rain  
Fear of... My heart is pounding  
never so frightened  
My body's trembling  
I'm dying  
Dying Cold  
but I don't mind the rain  
Fear of  
Being alone again All I ever wished for  
was a vengeance on solitude  
And all I ever longed for...  
The presence of you Cold  
but I don't mind the rain  
Fear of  
being alone again  
Cold  
but I don't mind the rain  
fear of  
Solitude Within
