

Stay

Lyn Saga

The first time I saw you
I knew that I had to
Take some time to know you
I needed to have you

(Please oh please
Donâ€™t be alarmed
When I take you into my arms
Why oh whyâ€™d
You run away
I just wish youâ€™d stay
Oh please stay)

(guitar intro)

I need you by my side
To warm up the cold nights
To have and to hold you
And feel the same way too

(chorus)

(guitar solo)

(arpeggio chorus)

(chorus)
