Teach U A Lesson

Robin Thicke

U feel so good
U smell so good
U feel so warm
Just like i knew u would
I canÂ't let u go
I canÂ't let u go
I canÂ't let u go

U were late 2 school
Im gonna have 2 see u after class
Uve been a bad girl
Someones gonna have 2 teach u a lesson
Uve been a bad girl
Someones gonna have 2 straighten u right out
Uve been a bad girl
Someones gonna have 2 teach u
Teach u teach u teach u

U can call me professor
But baby u broke the rules
U wont get the grade u want
Unless u stay after school
U can work it off
Baby i can give u extra credit
But theres something else
U were late 2 school
Teach u teach u teach u
Girl can i frisk u
Search your body 4
You look so guilty 2 me
If i make u nervous
Its cause youre hiding wmds
And im gonna sentence u
Baby u can do your time on me
I cant let u go
I cant let u go

U were late 2 school
Im gonna have 2 see u after class

Uve been a bad girl
Someones gonna have 2 teach u a lesson
Uve been a bad girl
Someones gonna have 2 straighten u right out
Uve been a bad girl
