

# Losing Sleep

## Boyz II Men

I leave the lights on  
Turn the sound up off of my TV  
Trust my words, girl you'd never get the best of me  
Cause you decided, we, when we divided  
You made my bed but I don't have to sleep in it  
Tossing and turning in my bed  
Tryna get you out of my head  
If I can't get through the night  
I'm hoping and praying I can get over you  
Girl you got me losing sleep  
I'm never gonna dream again  
If I can't have you next to me  
I'd rather not crave pretend  
Girl you got me losing sleep  
So I'd never close my eyes again  
Cause when I do you're all I see  
And you'll only break my heart  
Won't let you break my heart again, oh  
Won't let you break my heart again  
Staring at the ceiling  
Counting seconds 'til the walls cave in  
Told myself that the world is not about to wait  
'Cause I decided, I was gonna fight it  
And never ever ever see your face again  
Tearing every memory apart  
Tryna get you out of my heart  
If I can't get through the night  
I'm hoping and praying I can get over you  
Girl you got me losing sleep  
I never wanna dream again  
If I can't have you next to me  
I'd rather not crave pretend  
Girl you got me losing sleep  
I'd never close my eyes again  
'Cause when I do you're all I see  
You'll only break my heart  
Won't let you break my heart again, yes  
You'll only break my heart again  
I'm so tired, I'm so tired

I gotta stay up, I gotta fight it  
Sleep's out to get me, I'll start a riot  
(You can't get away from me, you can't get away from me)  
I'm so tired, I'm so tired  
I gotta stay up, I gotta fight it  
Sleep's out to get me, I'll start a riot  
(You can't get away from me)  
Girl you got me losing sleep  
I'm never gonna dream again  
If I can't have you next to me  
I'd rather not crave pretend  
Girl you got me losing sleep  
I'd never close my eyes again  
'Cause when I do you're all I see  
You'll only break my heart  
Won't let you break my heart again, oh
