Soulhunter

Tulk

in a dream a beauty lives
lots have tried to kiss her lips
and touch her naked bodyin a dream a beauty lives
she'll fill your mind complete
unforgettable she isyou've sold your soulthis could have been your swan song
your god won't listen to your prayers
depraved you arethis could have been your swan song
you've entered a labyrinth
there's only one way outyou've sold your soula demon from the underworld
totally irresistible
beautiful and frighteninga demon from the underworld
she'll lead you to the one and only
Infernal Majestyyou've sold your soulslowly you'll understand
you've sold your soul
you're one with the Beast
forget what's left behind
forget your former life
your soul's made free
the world's waiting for YOU
enjoy the pleasures of the fleshin a dream a beauty lives
lots have tried to kiss her lips
and touch her naked bodyin a dream a beauty lives
she'll fill your mind complete
unforgettable she isyou've sold your soul
