Metal Meltdown

Judas Priest

Something's calling in the night
Electric madness roars in sight
Heat is rising, blazing fast
Hot and evil, feel the blast
Out of control
About to explode
It's coming at ya
Here comes the metal meltdown
Run for your lives
Can't stop the metal meltdown
No one survives
Raging fury, wired for sound
Nitro bombshell shakes the ground
High and mighty rips the air
Piercing lazer, burning glaze
Out of control
About to explode
It's coming at ya
Here comes the metal meltdown

Run for your lives
Can't stop the metal meltdown
No one survives
Temperature is boiling, magnifying might
Feeding like a virus, flashing light
Imminent collision, shockwaves all around
Generating energy, screams so loud
It's comin', meltdown
Start runnin', countdown
Here comes the metal meltdown
Run for your lives
Can't stop the metal meltdown
No one survives
Oh yes
Metal meltdown
Metal meltdown
Metal meltdown
