

# Metal Meltdown

## Judas Priest

Something's calling in the night  
Electric madness roars in sight  
Heat is rising, blazing fast  
Hot and evil, feel the blast  
Out of control  
About to explode  
It's coming at ya  
Here comes the metal meltdown  
Run for your lives  
Can't stop the metal meltdown  
No one survives  
Raging fury, wired for sound  
Nitro bombshell shakes the ground  
High and mighty rips the air  
Piercing lazer, burning glaze  
Out of control  
About to explode  
It's coming at ya  
Here comes the metal meltdown  
  
Run for your lives  
Can't stop the metal meltdown  
No one survives  
Temperature is boiling, magnifying might  
Feeding like a virus, flashing light  
Imminent collision, shockwaves all around  
Generating energy, screams so loud  
It's comin', meltdown  
Start runnin', countdown  
Here comes the metal meltdown  
Run for your lives  
Can't stop the metal meltdown  
No one survives  
Oh yes  
Metal meltdown  
Metal meltdown  
Metal meltdown  
...
