Radio Song

Travis

Sitting on a mushroom cloud
Waiting for the big fallout
Wandering around the house
Talking to myself out loud
Now it's not cool to be proud
But it's alright to get loud
I hear a song
It's coming on the radio
Bangs like a gong
And outside the night
The night is gone
I wanna wake you up
Don't wanna play it on the phone
The signal's breaking up
Too late to celebrate
Now I'm alone
Oh I'm alone tonight
Open your mouth up wide
So we can park a bus inside
How do you sleep at night
With all of the shit you hide
You're the only one
who thinks it's right
No wonder the bed bugs bite
I love this song
It's coming on the radio
Bangs like a gong
And outside the night
The night is gone
I wanna wake you up
Don't wanna play it on the phone
The signal's breaking up
Too late to celebrate
Now I'm alone
Oh I'm alone tonight
la la la la la
la la la la la laaaaaa
