

Astral Traveller (Gothenburg 1971)

Yes

And in the ruins of the balloon
Stood a man with glasses held high,
Wondering when to do it again
Have another fly into the sky,
Somewhere flying high. Astral trav'ller leaving without her,
Wandering where lights go,
Leave out the body load. Once in the air, people who dare
Get a great respect in being.
(Astral trav'ller.)
Heavenly flight wondrous night
And all the sights worth seeing
Just believe in Astral trav'ller leaving without her,
Wandering where lights go,
Leave out the body load.
