

One Happy Day

Kate Ryan

VERSE 1

Can't you feel the pain that's killing me inside
(it's hurting me)
I think you don't know how many days and nights I've cried
(I will believe)
That I don't need you anymore
It's a relieve for me to see
That you can close that door
REFRAIN
I am free to see true love and fly away
No more memories of all the lonely days
I am free to see true love and fly away
I don't want you to stay, please walk away
Give me one happy day

VERSE 2

There is a world I know without you in my heart
(it's hurting me)
I just forget you and I make a brand new start
(I will believe)
That I don't need you anymore
It's a relieve for me to see
That you can close that door.
