

Rattlesnake Shake

Peter Green

Written by peter green.Baby, if you got to rock
I got to be your rockin' horse
Baby, think you'd like to roll
Maybe your diggin' it more
They're shakin' the world
When it's time to crash
But when I get home tonight
I guess I got to shake myselfYou need some love
You must have the blues
Ain't but the one thing
A good man can do
He do the shake
The rattlesnake shake
Man, do the shake
Yes, and jerk away the blues
Now, jerk itBreak:
