

# Idiot

## Wavves

laugh, i bet you laugh  
i bet you laugh right behind my back  
i won't ever die  
i'll go surfing in my mind i'm not supposed to be a kid  
but i'm an idiot  
i'd say i'm sorry  
but it wouldn't mean shit (x4) has my skull just cracked?  
i didn't bother listening to the rest (ref?)  
i won't ever die  
i'm a hero in my mind i'm not supposed to be a kid  
but i'm an idiot  
i'd say i'm sorry  
but it wouldn't mean shit but it wouldn't mean shit
