

Long Life (Where Did You Go) [iTunes Session]

Great Big Sea

It's long life
This i do believe
I never thought that we'd see the end
Maybe I was just naive
On a cold night
You can see your breath so clear
Always thought that we'd be friends
But friends can disappear Time is moving slow
Where'd you go
Rain turns into snow
Where'd you go In a dark house
I tip toe down the stairs
Open the door and turn on the light
I hope i'll see you there
Been a long time
Since i heard you call my name
The sun comes up and i open my eyes
And the snow turns back to rain Time is moving slow
Where'd you go
Rain turns into snow
Where'd you go Been long gone
So far away from here
All i can say at the end of the day
Is goodbye to one of the years Time is moving slow
Where'd you go
Rain turns into snow
Where'd you go
Time is moving slow
Where'd you go
Rain turns into snow It's a long life but i will not disapair
Open the door and turn on a light
Hope i'll see you there
