

# Cops Copulating

## Electrocutes

Feeling bored, everything sucks  
Letâ€™s go for a ride in my pick-up truck  
Weâ€™ll get a six pack and a bag of whack  
When schoolâ€™s out, whoâ€™s gonna pull out?

Iâ€™m sixteen and this is my scene  
A bubble of trouble letâ€™s get the hell out  
I wanna be bad, letâ€™s get a boy scout  
And go to Kennedyâ€™s house  
And go balls out, balls out

Weâ€™re breakinâ€™ the law, weâ€™re breakinâ€™ the law  
Bust me.

Bustinâ€™ it once and bustinâ€™ it twice  
Is it the cops or is it the vice?  
Kick in the door pull out a gun  
Pricks with sticks tryinâ€™ to ruin our fun

Bust me  
Weâ€™re going downtown, downtown.  
Cops copulating, cops copulating
