

The New York Chainsaw Massacre

That's Outrageous!

Show me one fucking reason why I shouldn't break your knees

I'll tear you limb by limb

Then you'll know what real pain is!

Hearing you scream is so appealing

(Fuck yeah)

I'm gonna take my time tonight,

They won't find you in the morning

Cause you'll be locked up in my trunk

And I'll be on my way

To dig your grave

And drown you in the kerosene

Cause I'm feeling kinda hot tonight, yeah

I'm feeling hot tonight

Listen close, listen close

When I'm fucking talking

You'll never guess what's in store for you

Listen close, listen close

When I'm talking

The consequences are way past due

Look at me, look at me

One more fucking time

I swear this will be the last face you ever see

Look at me, look at me

One more time

And beg for mercy

You turned your back on me

When I needed you most

Look at me now,

I'm on top of the world

Yeah

Get fucked!

Listen close, look at me, I'm care fucking free
