

# United

## Insted

Bound together strong and true.  
Sometimes it takes more than two.  
Take pride in being a part.  
Hand in hand, it's just a start.  
Help out in a time of need.  
Reach out and hear their plea.  
Step by step is the way it's done.  
One plus one is how it's won.

Unite!
