

Thurston Hearts the Who

Bikini Kill

If Sonic Youth thinks you're
cool does that mean everything
to you if you think
Sonic Youth is cool and you
think that they think that
you're not that cool does
that mean everything to you
does that mean everything to you
thurston hearts the who
how about you
thurston hearts the who
do you heart the who too
thurston hearts the who
how about you
thurston hearts the who
do you heart the who too
It's 5 am and we stayed out
all night - we've got nothing to
do except talk about you
thurston hearts the who
do you heart the who too...
