

The Way You Do the Things You Do

UB40

You got a smile so bright
You know you could have been a candle
I'm holding you so tight
You know you could have been a handleThe way you swept me off my feet
You know you could've been a broom
And babe you smell so sweet
You know you could've been some perfumeWell you could of been anything that you wanted to
I can tell, the way you do the things you do
Alright, the way you do the things you doAs pretty as you are
You know you could've been a flower
If good looks were minutes
You know you could have been an hourThe way you stole my heart
You know you could have been a crook
And baby your so smart
You know you could have been a school bookWell you could of been anything that you wanted to
I can tell, the way you do the things you do
Alright, the way you do the things you doYou make my life so rich
You know you could've been some money
And baby you're so sweet
You know you could have been some honeyWell you could of been anything that you wanted to
I can tell, the way you do the things you do
Alright, the way you do the things you doAs pretty as you are
You know you could've been a flower
If good looks were minutes
You know you could have been an hourThe way you stole my heart
You know you could have been a crook
And baby your so smart
You know you could have been a school bookWell you could of been anything that you wanted to
I can tell, the way you do the things you do
Alright, the way you do the things you do
The way you do the things you do
Alright, the way you do the things you do
The way you do the things you do
The way you do the things you do
Alright, the way you do the things you do
The way you do the things you do
The way you do the things you do
Alright, the way you do the things you do
The way you do the things you do
