

# The Game Needed Me (the Oktopus Remix)

## Minus the Bear

We don't have money so we can't lose it  
But you touchin' me like piano keys, you can't buy that movement  
What do we get from this soft transaction?  
We know the money lies and you can't put a price on this brand of action  
What does it cost for this life of excess?  
Would you ever miss your desk's caress  
There is no mouth to trace it's shape on to you  
You seem to let it fuck you anyway  
What does it cost  
For this life of excess?
