

# Too Good to Be True

Michael Peterson

You were all she ever wanted, that was once upon a time  
She was all you ever needed, that's what makes it such a crime  
How you took her heart for granted, how you threw her love away  
Now you still don't understand it, if you did you'd never say  
It was too good to be true  
What did you expect a girl as good as her to do?  
What do you think would make that woman go find somebody new?  
She's not too good to be true, she's just too good to be true to you  
Just because she never said so, doesn't mean  
she didn't see  
Every time you stole an apple off somebody else's tree  
Late last night that lipstick letter she left on the bedroom door  
Said you don't get it and you ain't gonna get it anymore  
It was too good to be true  
What did you expect a girl as good as her to do?  
What do you think would make that woman go find somebody new?  
She's not too good to be true, she's just too good to be true to you  
She's not too good to be true  
What did you expect a girl as good as her to do?  
What do you think would make that woman go find somebody new?  
She's not too good to be true, she's just too good to be true to you  
Here we go  
Too good to be true  
What did you expect a girl as good as her to do?  
What do you think would make that woman go find somebody new?  
She's not too good to be true, she's just too good to be true to you  
Oh just too good to be true to you
