

Dunes of Mercy

Zuccherò

Take my soul in my sorrow
I've been losing my mind
Take my soul in my sorrow
Walking on, dunes of mercy Don't cry, oh no
Joy will dry your tears
And misery
Make it disappear Take my soul in my sorrow
Like a babe at your breast now
Take my soul and I follow
Rolling on, dunes of mercy Don't cry, oh no
Joy, you're not alone
Oh shelter me
Lord please take me home Babe let the feeling go
Unchain my emotion
Stay 'cause I need you so
Oh never, never leave me
So let the river flow
Oh down to your ocean
And let the rain fall
Over me Take my soul in my sorrow
I've been losing my mind
No yesterday, no tomorrow
Walking in, dunes of mercy Don't cry, oh no
Joy will dry your tears
And misery
Make it disappear Take my soul in my sorrow
Walking on, dunes of mercy
Take my soul in my sorrow
Walking on, walking on
Dunes of mercy
Take my soul in my sorrow
