Single Life

Cousin Cole

Every little thing you do
Makes me smile
And if I had my way, baby
I'd drive you up the wall
I'd take you through the pages
One by one
I don't wanna get too serious
I just like having fun
Yeah, yeah
I just like having fun
Oh, sugar
I'm living the single, single, single
Life
The single, single, single
Life
Now I don't want anybody
To get the wrong idea about me
I don't have nothing' to hide
I want the world to see
Just like a car I'll drive you
Out of your mind
It's always the first step
In us having a good time
Oh, oh, oh, sugar
I'm living the single, single, single
Life
Single, single, single
Life
Single guys clap your hands
Yeah
Oh, sugar
Single ladies clap your hands
Feels so good
And it feels so good
Feels so good
I'm living the single, single, single
Life
Oh, sugar, single, single, single
Life
