

# Single Life

## Cousin Cole

Every little thing you do  
Makes me smile  
And if I had my way, baby  
I'd drive you up the wall  
I'd take you through the pages  
One by one  
I don't wanna get too serious  
I just like having fun  
Yeah, yeah  
I just like having fun  
Oh, sugar  
I'm living the single, single, single  
Life  
The single, single, single  
Life  
Now I don't want anybody  
To get the wrong idea about me  
I don't have nothing' to hide  
I want the world to see  
Just like a car I'll drive you  
Out of your mind  
It's always the first step  
In us having a good time  
Oh, oh, oh, sugar  
I'm living the single, single, single  
Life  
Single, single, single  
Life  
Single guys clap your hands  
Yeah  
Oh, sugar  
Single ladies clap your hands  
Feels so good  
And it feels so good  
Feels so good  
I'm living the single, single, single  
Life  
Oh, sugar, single, single, single  
Life
