# Only You

## Doro Pesch

Only you
Can possess me
I need your love day 'n night
Only you
Can deliver me
I need your love
I can't deny
Only you
Can deceive me
I love you more
Than I can say
Only you
Can complete me
I need your love everyday
Only you

Only you can heal me
I need your love
To find a way
And only you
Can complete me
I need your love everyday, everyday
Only you
Only you
From your love
I can't stay away, oh no
Only you
Only you
I love you more everyday, everyday
