

You Done Lost Your Good Thing Now

B.B. King

Oh
Baby, you done lost your good thing now
Oh
You done lost your good thing now
Well, the way I used to love you baby
Baby, that's the way I hate you now You used to say that you loved me
But baby, I believe you've changed your mind
You used to say that you loved me
But baby I believe you've changed your mind
Well, I don't blame you baby
Because you ain't what you used to be Let me love you just one more time
Yes, let me love you one more time anyway
Oh, let me love you, let me love you, let me love you one more time, baby
Let me love you one more time anyway
Oh you can't quit me now, baby
Because you didn't mean me no good anyway Well, you know where I'm from, baby
So please don't try to mistreat me
Yes, you know where I'm from, baby
So please don't try to mistreat me
Yes, because I'll make your mother a present
Baby, of you and your casket too Oh, you once said you loved me
And you would do anything I said
Oh, you once said you loved me baby
And you would do anything I said
Oh, but the way you treat me now, baby
I just soon rather be dead Oh
Baby, you done lost your good thing now
Oh
Baby you done lost your good thing now
The way I used to love you
Baby, that's the way I hate you now
