

# Bloodshed

## Malefactor

Fire, the burning path  
Downstroy the weak minds  
The weak minds rising nature's demise  
Enslave system creationChorus:  
Everywhere is bloodshed  
Wasteland bloodshed  
Everywhere is bloodshed  
Wasteland bloodshed  
Bloodshed wasteland  
Bloodshed wasteland  
BloodshedLife, ravage skullduggery  
Rage, dethrone the enemy  
Die treacherous leprosy  
Scorn the self inflictChorus:  
Everywhere is bloodshed  
Wasteland bloodshed  
Everywhere is bloodshed  
Wasteland bloodshed  
Bloodshed wasteland  
Bloodshed wasteland  
BloodshedThis is my redemption  
Strangling superstitions  
This is my conception  
Condemned for eternityBlood of the lamb touching the empty void  
Slowly eats my soul  
Drag down the black hole  
Join the cult of dark hope  
Swarm of deadly locusts  
Beware of the prophecy  
Rulers of reality
