

Never Again, Again (iTunes Originals Version)

[Lee Ann Womack](#)

Never again, again once more I'll let you back in
I know how the story ends but I can't help myself
You'll break my heart I know through my tears I'll watch you go
Then just like it's always been I'll say "Never again, again" Each time you leave I say "I've had enough"
But I must be addicted to your kind of love
I swear to myself I'm gonna stand my ground
But one look at you breaks my defenses down And here comes never again, again once more I'll let you back in
I know how the the story ends but I can't help myself
You'll break my heart I know through my tears I'll watch you go
Then just like its always been I'll say "Never again, again" I swear to my self I'm gonna stand my ground
But one look at you breaks my defenses down
And here comes never again, again once more I let you back in
And just like its always been I'll say "Never again, again"
And just like it's always been I'll say "Never again, again"
