I'm still heartless
don't fall in love
I think you heard

like record label drop artist
I think that shit love better somtin nice

lil preppie chick
but I still want to wrap
bets night than a hug
I'm bout to get
as a motha fucka
guard tha sets and get it
come back now roll it fat and let me hit(pass the weed)Chorus x12[Mystikal]Let me hit
Let get it
turn around give it to
already know what I want

Fuck all that beat around tha bush
make up yo mind
Bitch do what you don't
9 times out of 10
them jackers sit here
probally you don't
id rather pull a bitch drows to the side and smell here funky
pussy stunk
I ain't tripping on the stupid
Id rather have a good time in this bitch
trying to get my smoke on
what you got cigarettes
(ah that's it the bitch got to be stopped hold)
I still got a guard left over from last night
Damn I like to forgot
I don't blow no joes
But inhale some weed smoke
Id rather be hitting you from the back
if you really don't know
she said my periods down
Ita be gone in a minute
then she said
I thought you had some weed
then tha bitch said
let me hit itchorus x17
