Drink In My Cup

Electrik Red

I got that drink in my cup
Got that drink in my cup
Got that, I got that
I got that drink in my cup
I got that drink in my
I got that drink in my
Radio killa, killa, you know how we do
Ah, you know how we do
Ah yeah, you know how we do
Radio killa, killa, you know how we do
Ah, you know how we do
Ah yeah, you know how we do
Step up in here fresher than a mother
Yes, indeed I'm flyer than a mother
Two tone phantom hop out hello
(Diamonds on my neck)
Canary yellow
So get up on me baby, like you wanna do me
Right here, right here, right here, right here
And I'm a get up on you like I wanna do you
Right here, right here, right here
All my girls
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
And I'm fly, I'm fly, I'm flyin' high
And I'm fly, I'm fly, I'm flyin' by
I got that drink in my cup
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
And I'm fly, I'm fly, I'm flyin' high
And I'm fly, I'm fly, I'm flyin' by
I'm back on the floor yep, cute than a mother
Makin' that pop, pop, pop I'm a mother
Ichi, ni, san, shi, I got him like ding dong
I'm up in that like he wanna get it

Right here, right here, right here, right here
'Cause get up on my like you wanna get it
Right here, right here, right here
All my girls
I got that drink in my cup
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
And I'm fly, I'm fly, I'm flyin' high
And I'm fly, I'm fly, I'm flyin' by
I got that drink in my cup
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
And I'm fly, I'm fly, I'm flyin' high
And I'm fly, I'm fly, I'm flyin' by
Cup sip yep, yurp, two step stop, yurp
You know what it is when I'm on the floor
I drop that, I pop that, I dip below
I ride that like some [Incomprehensible]
I glide that like a motor boat
I park that like turn scoot
Get up off that, look back [Incomprehensible]
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
And I'm fly, I'm fly, I'm flyin' high
And I'm fly, I'm fly, I'm flyin' by
I got that drink in my cup
Got that drink in my cup
Got that drink in my cup
Got that drink in my cup
And I'm fly, I'm fly, I'm flyin' high
And I'm fly, I'm fly, I'm flyin' by
Cup sip yep, yurp, two step stop, yurp
