

# Air Born

## Camel

(Latimer/Bardens)

High flying glider, spread your wings

Flying high on a cloud

Born on the air, spiral around

So busy making circles

You never touch the ground You see the sea, feel the sky

Don't know where you go when you die

Don't know the answers

To what's in my mind

Riding on the wind and turning with the tide life takes you up, it brings you down

Changes the pain that remains

Keep moving fast, though the wind and the rain

And if the world keeps spinning round

You'll be back again Andrew Latimer: Flute, Acoustic & Electric Guitars, Lead Vocals

Peter Bardens: Piano, String Synthesizer, Organ, Electric Piano

Doug Ferguson: Bass

Andy Ward: Drums
