Air Born

Camel

(Latimer/Bardens)
High flying glider, spread your wings
Flying high on a cloud
Born on the air, spiral around
So busy making circles

You never touch the groundYou see the sea, feel the sky

Don't know where you go when you die

Don't know the answers

To what's in my mind

Riding on the wind and turning with the tidelife takes you up, it brings you down

Changes the pain that remains

Keep moving fast, though the wind and the rain

And if the world keeps spinning round

You'll be back againAndrew Latimer: Flute, Acoustic & Electric Guitars, Lead Vocals

Peter Bardens: Piano, String Synthesizer, Organ, Electric Piano

Doug Ferguson: Bass Andy Ward: Drums
