## Anticipation

## **Carly Simon**

We can never know about the days to come But we think about them anyway And I wonder if I'm really with you now Or just chasing after some finer day.Anticipation, Anticipation Is making me late Is keeping me waitingAnd I tell you how easy it is to be with you And how right your arms feel around me. Bit I rehearsed those words just late last night When I was thinking about how right tonight might be.Anticipation, Anticipation Is making me late Is keeping me waitingAnd tomorrow we might not be together I'm no prophet, I don't know nature's way So I'll try to see into your eyes right now And stay right here, 'cause these are the good old days.
