Given Up On You

coldrain

It's all over, over
I've just given up given up given up on you
I'm not wasting my time with you in my lifeGIVE ME A REASON
Why should I ever listen to you
When all you think about is twist and betrayal
GIVE ME A REASON
You can act so damn innocent
When all the fingers point straight at you
IT'S TOO LATEYOUR LIFE IS USELESS
YOU MADE IT WASTED
COVERING YOURSELF IN BETRAYAL
IT'S TOO LATE
THERE'S NO EXCEPTIONS
YOU CAN'T BE REWARDED
SO I'LL SING THIS FUCKING CHORUS FOR YOUIt's all over, over
I've just given up given up given up on you
I'm not wasting my time with you in my lifeI guess I was just too blind to see
See through your lies and deceit
I gave you my everything
Just to be left here bleeding
But we're done now
Second chances are gone now
I SAY GOODBYE FOR GOOD
SO BACK OFFIt's all over, over
I've just given up given up given up on you
I'm not wasting my time with you in my lifeSurrender, surrender
Just give it up, give it up, give it up for good
I can see right through you
So don't you even try to say a wordYOU, YOU'LL BE THE ONE WHO'S LEFT
CRYING IN THE END
YEAH, I'LL BE THE ONE WHO'S LEFT
SURROUNDED BY MY FRIENDS SINGING SO LOUDIt's all over, over
I've just given up given up given up on you
I'm not wasting my time with you in my lifeSurrender, surrender
Just give it up, give it up, give it up for good
I can see right through you
So don't you even try to say a wordGIVE ME A REASON
GIVE ME A REASON
