## Imagine Dragons

I'm sorry, mother  
I'm sorry I let you down  
Well, these days I'm fine  
No these days I tend to lie  
I'll take the West train  
Just by the side of Amsterdam  
Just by my left brain  
Just by the side of the tin man I'm sorry, brother  
I'm sorry I let you down  
Well, these days you're fine  
No these days you tend to lie  
You'll take the West train  
Just by the side of Amsterdam  
Just by your left brain  
Just by the side of the tin man Your time will come  
If you wait for it, if you wait for it  
It's hard  
Believe me  
I've tried  
But I keep coming up short I'm sorry, lover  
I'm sorry I bring you down  
Well, these days I try  
And these days I tend to lie  
Kinda thought it was a mystery  
And then I thought I wasn't meant to be  
You said yourself fantastically  
"Congratulations, you are all alone" Your time will come  
If you wait for it, if you wait for it  
It's hard  
Believe me  
I've tried Your time will come  
If you wait for it, if you wait for it  
It's hard  
Believe me  
I've tried But the rain won't fall for the both of us  
The sun won't shine on the both of us  
Believe me when I say  
That I wouldn't have it any other way Your time will come  
If you wait for it, if you wait for it

It's hard  
Believe me  
I've tried  
But I won't wait much longer  
Cause these walls they're crashing down  
And I won't wait much longer  
Cause these walls they're crashing down  
And I keep coming up short
