## Usher

Watch me as I dance under the spotlight-  
Listen to the people screaming out more and more,  
'Coz I create the feeling that keep 'em coming back,  
Yeah, I create the feeling that keep 'em coming back,  
So captivating when I get it on the floor. Know y'all been patiently waiting, I know you need me, I can feel it,  
I'm a beast, I'm an animal, I'm that monster in the mirror,  
The headliner, finisher, I'm the closer, the winner.  
Best when under pressure with second's left I show up. [CHORUS x2]  
If you really want more, scream it out louder  
Get it on the floor, bring out the fire,  
And light it up, take it up higher,  
Gonna push it to the limit, give it more. Get up both your hands, I'm in the zone, tight!  
Put 'em in the air, if you want more (and) more,  
Cos I can't wait to feel it.  
I go hard, can't stop,  
But if I stop then just know that imma bring it back,  
Never quittin' on believin' that. Know y'all been patiently waiting, I know you need me, I can feel it,  
I'm a beast, I'm an animal, I'm that monster in the mirror,  
The headliner, finisher, I'm the closer, the winner.  
Best when under pressure with second's left I show up. [CHORUS x2]  
If you really want more, scream it out louder  
Get it on the floor, bring out the fire,  
And light it up, take it up higher,  
Gonna push it to the limit, give it more. (Vocal segment x2)  
Whoa oh oh oh whoa oh  
(above x3)  
Push it to the limit, give it more! [CHORUS x2]  
If you really want more, scream it out louder  
Get it on the floor, bring out the fire,  
And light it up, take it up higher,  
Gonna push it to the limit, give it more. [VOCAL SEGMENT x2]  
Whoa oh oh oh whoa oh  
(above x3)  
Gonna push it to the limit, give it more.
