

Rerun Time

Front 242

Take our time
Hold the line
Is it important
Such a mess
Tenderness
This is my secret I'm so glad
You go mad
We're on the cover
You won't dare
Just entertainment You say yes
You say no
Remain indifferent
I'm so scared
Unprepared
It makes no difference I'm so glad
You go mad
Is it important?
That's enough
Leave the time
And watch the future
