

New Religion

Geri Halliwell

Don't blame me
I'm crazy
Pmt and I'm young
Don't hate me
That's lazy
Plenty more work to be done I'm cravin'
I'm ravin'
Mad about the thing that you do
Oh baby
Just save me
I'm giving it up for you You can't stop me
I can't help it Playing with my new philosophy
Livin' it up with my intuition
Getting on down is my new therapy
Working you out is my new religion Ba, ba ba ba ba ba, ba-ba-ah
Is my new religion
Ba, ba ba ba ba ba, ba-ba-ah
Is my new religion Not crazy
Well maybe
Insanity's been a friend
Unruley
So sue me
You're driving me down the bend Don't choke me
Provoke me
I'm looking for something new
Oh baby
Just save me
Give me that thing that you do You can't stop me
I can't help it Playing with my new philosophy
Livin' it up with my intuition
Getting on down is my new therapy
Working you out is my new religion Ba, ba ba ba ba ba, ba-ba-ah
Is my new religion
Ba, ba ba ba ba ba, ba-ba-ah
Is my new religion (I get on down, get on down, I get on down)
Uh, uh, uh, I get on down
(I get on down, get on down, I get on down)
Uh, uh, uh, I get on down
(I get on down, get on down, I get on down)

Uh, uh, uh, I get on down
(I get on down, get on down, I get on down)
Uh, uh, uh, I get on down! Playing with my new philosophy
Livin' it up with my intuition
Getting on down is my new therapy
Working you out is my new religion Ba, ba ba ba ba ba, ba-ba-ah
Is my new religion
Ba, ba ba ba ba ba ba, ba-ba-ah
Is my new religion Geri halliwell has left the building
