

# I'll Do Anything

## Courtney Love

Gimme your tired, gimme your poor, yeah  
You need to be free, yeah  
Your hungry huddled masses  
Screaming me, me, me  
Gimme danger, gimme sorrow  
Gimme heat, gimme grime  
Gimme, gimme everything  
Coming, gimme from behind  
Woo hoo  
Throw me up against the wall  
Woo hoo  
No baby, do that again  
Woo hoo  
No baby, I'll do you 'cause  
You, you, you, you do anything  
Gimme white boys skinny  
Gimme big black men  
Gimme ice cream on my birthday  
Oh, gimme that again  
Gimme love, love, love  
Oh, give them me, me, me  
'Cause I'll do you  
'Cause you'll do anything  
Gimme dick, gimme speed  
Gimme white hot heat  
One day my prince will come but  
Man, it's just too late  
Gimme one match  
So I can set myself on fire  
Oh, let 'em eat cake  
Until they are starved  
Gimme white lie  
That pulls out of me so hard  
Twitching like the miracles  
And blast them all to shards  
Woo hoo  
Throw me up against the wall  
Woo hoo  
No baby, do that again

Woo hoo  
No baby, I'll do you 'cause  
You, you, you, you do anything  
Gimme white boys skinny  
Gimme big black men  
Gimme ice cream on my birthday  
Oh, gimme that again  
Gimme love, love, love  
Oh, give them me, me, me  
'Cause I'll do you  
'Cause you'll do anything  
Gimme some  
[Incomprehensible] good to have  
Give it to me, come on, baby  
Gimme a break  
He almost lost the show  
I've got the power to heal  
Oh, God or the devil  
Just gimme a deal  
Gimme love, love, love  
Oh, give them me, me, me  
'Cause I'll do you  
'Cause you'll do anything  
I'm ready to die for you  
No, I'm too young to be so old  
Don't scratch the car when you go  
(Woo hoo)  
(Throw me up against the wall)  
Don't slam the door when you go  
(Woo hoo)  
(No baby, do that again)  
I'll burn the sheets when you go  
(Woo hoo)  
(No baby, I'll do you 'cause)  
Just fuckin' go when you go when you go  
(Woo hoo)  
(You, you, you, you do anything)  
Just fuckin' go  
(Woo hoo)
