

Leaving Me Later

JT Hodges

I can't talk me out of this
I don't even wanna try
Call it bliss or ignorance
If this kills me what a way to die
She gets me every time She may be leavin' me later
It may cut me like a knife
She's got me wrapped around her finger
'Til I'm believin' all her lies
Though I'm flyin' high tonight
I may wake up on the ground
She may be leavin' me later
But she's lovin' me now I'm attracted to the heat
I guess I love to play with fire
The more she keeps on burnin' me
The more that I give in to my desire
Up here walkin' on the wire She may be leavin' me later
It may cut me like a knife
She's got me wrapped around her finger
'Til I'm believin' all her lies
Though I'm flyin' high tonight
I may wake up on the ground
She may be leavin' me later
But she's lovin' me now She takes me down
(And I love it when she does)
When she comes around She may be leavin' me later
It may cut me like a knife
She's got me wrapped around her finger
'Til I'm believin' all her lies
Though I'm flyin' high tonight
I may wake up on the ground
She may be leavin' me later
But she's lovin' me now She may be leavin' me later
But she's lovin' me now
