

# It Just Happens

Roxette

(Ah, woo-hoo)  
(Ah, woo-hoo)  
Oh, it just happens  
(Ah, woo-hoo)  
Oh, it just happens  
(Ah, woo-hoo)It's a cabaret, taking over on a quiet lazy backseat day  
And it's so beautiful  
Like the sunshine on your balcony  
Just yesterday  
Don't underestimate  
Your heart is never late  
And love will always find a wayIt just happens  
You don't know what's going on  
If it's new or if it's been there since long  
If it's right or wrong  
(Ah) you fall in love  
(Ah) you fall in loveYou don't have a say  
Just let it slide and close your eyes and watch the passion play  
Don't underestimate  
Your heart can never wait  
And love will always find a way(Ah) you fall in love  
It just happens  
(Ah) you fall in love  
Oh, it just happens, oh yeah  
(Ah) you fall in love  
(Ah) it just happens, happens, oh  
You fall in loveDon't underestimate  
Your heart can never wait  
And love will always find a way  
It just happens and you don't know what's going on  
If it's new or if it's been there since long  
If it's right or wrong(Ah) you fall in love  
Oh, it just happens  
(Ah) you fall in love  
It just happens, oh  
(Ah) you fall in love  
Oh, it just happens, happens  
(Ah) you fall in love  
(Whoa, ah) you fall in love, woo-who

(Ah) you fall in love  
(Ah) you fall in love  
Oh yeah, it just happens, happens, oh  
(Whoa, ah) you fall in love  
(Ah) you fall in love
