Sunset Now

Heaven 17

Sun crazed in our room
It was an endless afternoon
It seemed that we were so immune
The nights were stronger and longer
I fell on my pillow saying
"Tell the world that lucky's calling
Gold dust falling
Here in Action Town"

Sunset now
Sunset now
Sunset now
Sunset now

Blade flew into town
In time to watch the sun go down
He said the new prince must be found
The message shattered our windows
We know it was over, saying
"Tell the boys that we're not handing
Over any part
Of Action Town"

Sunset now
Sunset now
Sunset now
now! now!

Pay out, run out, work out, die out
Action Town (Action Town)
If you have the name
Then you win the game
In Action Town (Action Town)
Bang bang you're dead
It's raining bread
Sunset now

Now that we have gone
Do we have strenght to carry on
It seems like all our sun has shone

It seems our dice are as cold as ice
But something in my heart keeps saying
"Tell the world that lucky's coming
Lines are humming
Here comes Action Town"

Sunset now
