

# Do I

## Luke Bryan

Baby what are we becoming  
It feels just like we're always running  
Rolling through the motions everyday  
I could lean in to hold you, or act like I don't even know you  
Seems like you could care less either way  
What happened to that girl I used to know  
I just want us back to the way we were before  
Do I turn you on at all when I kiss you baby  
Does the sight of me wanting you drive you crazy  
Do I have your love, am I still enough  
Tell me don't I, or tell me do I, baby  
Give you everything that you ever wanted  
Would you rather just turn away and leave me lonely  
Do I just need to give up and get on with my life  
Baby, do I Remember when we didn't have nothing  
But a perfect simple kind of loving  
Baby those sure were the days  
There was a time our love ran wild and free  
Now I'm second guessing everything thing I see  
Do I turn you on at all when I kiss you baby  
Does the sight of me wanting you drive you crazy  
Do I have your love, am I still enough  
Tell me don't I, or tell me do I, baby  
Give you everything that you ever wanted  
Would you rather just turn away and leave me lonely  
Do I just need to give up and get on with my life  
Baby, do I Still give you what you need  
Still take your breath away  
Light up the spark way down deep, baby do I Whoa,  
Do I turn you on at all when I kiss you baby  
Does the sight of me wanting you drive you crazy  
Do I have your love, am I still enough  
Tell me don't I, or tell me do I baby  
Give you everything that you ever wanted  
Would you rather just turn away and leave me lonely  
Do I just need to give up and get on with my life  
Tell me baby do I get one more try  
Do I, baby do I
